

High-Energy Dogs

THINGS I WILL NEED TO BE SUCCESSFUL IN YOUR HOME:

- A LOT of exercise. Take me on extra walks, runs, play fetch with me!
- Mental Stimulation. 10 minutes of mental stimulation is equal to a 30-minute walk. Bring on the dog enrichment!
- The proper walking gear. I might be most successful with a Gentle Leader or a harness that hooks in the front. It will prevent me from pulling you down!
- OBEDIENCE TRAINING!
